Joke of the Week!	<p>Send me your favorite joke and you might find it here. This Week's Joke is brought to you by Vincent B. A teacher gives each of her students a quiz. One the students raises his hand with a look of complete distress. "What's the matter?" she asks. "I have a problem." he replies. Before she can ask what it is, he says "Scratch that. I have twenty problems. Sorry I was at the back of the quiz."</p>
