		Week of March 4ᵗʰ – March 8ᵗʰ
Last week:		We learned about Counterexamples and Solving Linear Equations
This week:		We will be learning about Comparing Real Number Expressions, Simplifying Square Roots, and Simplifying Expression.

Day	Work to Complete *All Times are Eastern	Graded Activities
Monday	Office Hours @ 10am *Cancelled* Optional Class @ 12pm Cancelled: Please watch this recording on Counter Examples: Class @ 3 *Cancelled* Spend this time working on Study Island Assignments.	Complete Weekly Calendar (3/4-3/8) Due Monday 3/11 Complete "Counterexamples" and "Solving Linear Equations" (Two Topics, Twenty questions min.) Due Monday 3/11 Complete "Compare Real Number Expression", "Simplify Square Roots" and "Simplifying Expressions" (Three Topics, Thirty questions min.) Due Monday 3/18
Tuesday	Office Hours @ 10am *Cancelled* New Student Class Session @ 12pm What is Math Lab? Class @ 3pm Brief overview of Comparing Real Number Expressions, Simplifying Square Roots, and Simplifying Expressions with Mrs. Kozlik	Class today is with Mrs. Kozlik. Please plan to attend and participate. You will still get attendance credit for being there.
Wednesday	Optional Class @ 12pm Review: Counterexamples Class @ 3pm Comparing Real Number Expressions	
Thursday	Optional Class @ 12pm Review: Solving Linear Equations Class @ 3pm Simplifying Square Roots and Expressions	
Friday	Class @ 3pm Study Island Questions: Comparing Real Number Expressions, Simplifying Square Roots, and Simplifying Expressions	

Don't Forget!	Coming to Class is part of your grade for this course. If you can't come live be sure to watch the recording and send me the questions.	
Joke of the Week!	**Send me your favorite joke and you might find it here.** **This Week's Joke is brought to you by Madison S.** One day a math teacher and his brother were out golfing. The brother was to tee off first and just before he swung he yelled. "Fore!" The math teacher was up next and just before he swung he yelled. "Square root of sixty-four divided by two!"
